

Hi,

After a long time of thinking and consideration we have decided to cancel this years summer hockey camp. We feel that by doing this we make the right choice when it comes to limit the spread of the Covid-19. If we had made the choice to go through with the camp it would have been very hard for us to put any restrictions on travelling for participants. The restrictions and recommendations that is in work here in Sweden at the time makes it hard if not impossible to go through with the camp in its usual format. The status in sweden and europe might change until week 29 & 30 but we highly doubt it and that is why we are cancelling. Instead we will put up a summer camp for players that is registered in teams inside Jönköpings län. More info about this here [www.svenskalag.se/hv71](http://www.svenskalag.se/hv71).

We have also decided that everyone that want to participate at the camp next summer 2021, may keep that spot. If you choose not to participate and want your money back you will loose that spot. To be able to cover some of our expenses for administration we will keep 400 sek of the registration fee. To this day there is a lot of people registered to this years summer camp and to be able to administrate that in the best way possible we have choosen to work in a following manner:

1. If you wish to keep your spot until next years camp you dont have to do anything. You keep your spot and is registered for 2021's summer camp.
2. If you wish to keep your spot but get the second payment of the registration fee back you simply send us an email at [info@hv71hockeycamp.se](mailto:info@hv71hockeycamp.se) and communicate this with us. we pay that part of the registration fee back but we keep the first payment of the registration fee which is;
  - 2500 sek (daily participant) refund 1800 sek
  - 3600 sek (Hotel included) refund 2000 sek
3. If you wish to get the whole reistration fee back you sen dus an email to [info@hv71hockeycamp.se](mailto:info@hv71hockeycamp.se) and communicate this with us. We will keep 400 sek to be able to cover some of the expenses we have regarding this years summer camp. You will not be granted a spot for the summer camp 2021, but will have to sign up again for that, when that years camp registration opens up in the fall.
4. Everyone that chooses to get your money back need to include the followin in your mail;  
Name, Personal security number, Bank, Bank account number, IBAN

Everyone that email us regarding wanting their money back will get their money back. Although it will be a lot of administrative work for us and we ask you for patience. We will act as fast as we can but it may take a while before you have your money back.

Finally we want to thank you all that have signed up for our hockey camp and we will work hard to keep developing it in the future, just so that we may offer everybody a fantastic week higlighting fun, friendship and of course Icehockey.
